

AVerMedia Garners Taiwan Excellence Awards from 16th Taiwan Excellence Competition

AVerMedia INFORMATION Inc. proudly announced its innovative DVRs, AVerDiGi SA9000E Pro & AVerDiGi SA6032E Rack had been honored the Taiwan Excellence Award 2008. Taiwan Excellence Award is known as Asia's most prestigious award that heralds Taiwan's most well-designed innovations with the highest quality. These awards indicate AVerMedia's accomplishment with innovation and R&D technology in surveillance market.

Taiwan Excellence Award 2008 is in its 16 years to select the best products that demonstrate superior performance in R&D and Design Innovation, Quality System and Marketing with the strictest screening from professional judges of Taiwan and overseas. AVerMedia honored to be selected from 601 exhibiting companies this year and awarded with the innovative achievements. With cutting edge R&D, AVerDiGi SA9000E Pro brings breakthrough to the security industry by supporting 16 CH H/W D1 480fps recording, optimized professional digital video quality for surveillance needs. AVerDiGi SA6032E Rack also attracted the highest attention from the domestic and worldwide judges by its prominent functions.

By the spirit of "Distinct people, Distinct needs – Outstanding Solutions," AVerMedia has once again emerged as a leading force in the security industry by keeping continuing effort to provide innovative R&D technology and highest quality.
